MODERN VILLA IN GERMASOGEIA - 4 BEDROOMS

OVERVIEW

 Limassol, Germasogeia  Villa  1854

DESCRIPTION

This well-designed villa is located in Kefalokremmos, Germasogeia, one of Limassol's most exclusive residential areas. Surrounded by newly built private homes, it offers excellent infrastructure and a tranquil environment, just three minutes from the Germasogeia roundabouts. With a low building density of 40%, the area is reserved exclusively for private villas and is ideal for family living.

The property features four en-suite bedrooms: three within the main residence including a spacious master suite and a top-floor en-suite studio suitable for staff or guest accommodation.

Designed for comfort and luxury, the villa offers 3.60m net ceiling heights, full-height thermo-insulated aluminum windows, an open-flow steel and wood staircase, and an 8-person lift. Additional features include a large office, kids playroom, landscape views, a generous living area with a modern fireplace, a fully equipped kitchen with dining area, oversized island bar, and kitchenette.

A 14-meter swimming pool finished in turquoise-toned tiles completes the outdoor space. Inspired by hillside Californian architecture, the design responds naturally to the plot's geomorphology, creating a unique and elegant family residence.
